

THERE IS A DIFFERENCE.

A Graves, Cox & Company

Ready-to-Wear Suit or Overcoat is different from others. We are particular about the Kind of clothes we sell; as a result, particular men have been coming to us for years. We like to feel that we have the confidence of men in the matter of their clothes. We are so confident that every garment that goes out of our store is perfect that we are anxious to take it back if anything goes wrong—and give you another in its place, or your money back. This practically insures your clothing. Better let us sell you your Fall Suit and Overcoat this season.

AGENTS KNOX HATS, HANAN and WALK-OVER SHOES.

Our buyer has just returned from New York with a line of new and nobby suitings for winter wear. To let who know our methods in our Tailoring Department it is not necessary to say anything more. Prices are consistent with the high grade goods and superior workmanship.

RAIN COATS: This is a deservedly popular style of garment this season. The kind we are selling are genuine rain-shedders. They not only keep out the rain, but they also serve as a light-weight overcoat. Come in and try on one of the new arrivals. **\$12 to \$30**
